How to use this planner

Welcome! This planner gathers the everyday bits of life admin — money, tasks, meals, dates and paperwork — into one calm, tidy place.

Everything is undated, so you can start any time and print only the pages you need. Print as many copies of a page as you like for your own household.

1. **Print**
   A4, portrait, "actual size" or "fit to page". White paper keeps ink use low.

2. **Start small**
   Fill in Year at a Glance and Bills & Due Dates first — they pay off fastest.

3. **Set a rhythm**
   Ten minutes each week with the Weekly Planner keeps everything on track.

4. **Keep it together**
   Hole-punch the pages and keep them in a binder or clipboard.

5. **Make it yours**
   Use pencil for things that change, pen for things that stay put.
